EDUCATION

Bachelor of Science
Thakur College of Science and Commerce

09/2020 - Present   *8.8 CGPA - current*

Courses
- IT

HSC
Thakur College of Science and Commerce

06/2018 - 07/2020   *6.9 CGPA*

Courses
- PCM CS

PERSONAL PROJECTS

To Do App (01/2022 - 01/2022) ⬀
- Created a todo app website using **Django** web framework where user can add, retrieve and delete tasks. Used **Postgresql DB** for storage and retrieval of tasks

Text Analyzer (11/2021 - 11/2021) ⬀
- Created a text analyzer website which accepts any form of text filtered or unfiltered and performs a certain text operations such as remove punctuation marks, capitalize every letter etc. Tech Used: **Django** for backend, **Bootstrap** for frontend.

Personal Portfolio Website (03/2022 - 03/2022) ⬀
- Created a personal portfolio website in **Django** which contains the sections such as about, projects, contact, etc where user can raise any query through contact form. Tech Used: **Django** for backend, **Bootstrap** for frontend. This website is also hosted on **Heroku**.

Movie Recommender Website (06/2022 - 06/2022) ⬀
- Created a movie recommendation website based on **content based recommendation** in which I have used TMDB's data for movies and created a recommend function which recommends 5 movies based on the user's selection of movie.

WORK EXPERIENCE

Data Science - Intern
LetsGrowMore

08/2021 - 09/2021

Achievements/Tasks
- Task 1: Iris Flowers Classification ML Project
- Task 2: Image to Pencil Sketch with Python
- Task 3: Prediction using Decision Tree Algorithm

SKILLS

Java Python Django C/C++ HTML
CSS Postgres SQLite MySQL
Time Management Leadership

ACHIEVEMENTS

Got certified from the Google Developer Groups, Ranchi for completing a Machine Learning project (09/2021 - 09/2021)
During a 7 day bootcamp on machine learning hosted by ShapeAI(now Devtown) I got a certificate from GDG, Ranchi for the completion of their given ML project.

Top Performer - Internshala Trainings (05/2022 - 05/2022)
Top performer in 6 weeks online Data Science Training hosted by Internshala Trainings with a score of 100%.

CERTIFICATES

Python Programmer Certification - Infosys (01/2022 - 01/2022) ⬀

Data Science Training - Internshala Trianings (05/2022 - 05/2022) ⬀

Goldman Sachs Software Engineering virtual program - Forage (08/2021 - 08/2021) ⬀
